SUMMARY

UX Designer experienced in improving digital products and services through user research, usability testing, journey mapping, information architecture and prototyping. Experienced in translating user needs and behavioural insights into clear, actionable recommendations for cross-functional teams. Currently pursuing an MSc in Human Computer Interaction at the University of St Andrews, with a focus on research, interaction design and technology-driven user experiences.

PROFESSIONAL EXPERIENCE

CX Designer II

07/2022 – 07/2025 | Bogotá, COL

Nueva EPS

- Collaborated with engineers, designers, researchers and healthcare experts at Nueva EPS, the main health insurance company in Colombia, to improve digital healthcare journeys serving more than 9 million members.
- Led the end-to-end redesign of a patient-facing mobile app used by 1M+ members monthly, conducting user research, analysing feedback, restructuring information architecture and prototyping clearer user journeys.
- Designed user flows, UX writing and content strategy for a WhatsApp medical appointments chatbot used by over 1.8M users, achieving a 97% satisfaction rate.
- Cooperated with cross-functional teams to align user needs, operational constraints and technical requirements across digital service improvements. Presented research findings and design recommendations to technical and non-technical stakeholders to support product and service decisions.

Design Intern

10/2021 – 04/2022 | Bogotá, COL

Huge

Strengthened design culture and internal communications as part of Huge's intern team, while contributing to three client projects for major US brands.

- Designed visual layout for Converse's 2022-2024 Communications Playbook, a two-year brand guide, collaborating with Huge's Oakland office using Adobe Creative Suite and Keynote.
- Contributed to the development of Planet Fitness' mobile app design system, focusing on style guides and text field specifications in Figma, while gaining hands-on experience in design system best practices.
- Executed internal communication campaigns across Bogotá and Medellín offices, reaching 500+ employees. Produced and narrated internal project videos using Adobe Premiere.

Brand Designer

10/2020 – 09/2021 | Bogotá, COL

Corporación Mundial de la Mujer Colombia

Executed end-to-end brand design for 14 entrepreneurial ventures: conducted brand audits and created briefs, crafted strategies and brand guidelines, designed logos, social media graphics, presentations, and product photography.

- Built trusted relationships with entrepreneur clients, presenting creative brand solutions tailored to business goals and target audiences.
- Researched trademark availability, guiding 30+ entrepreneurial ventures through the registration process to protect intellectual property.
